Student Rules, Regulations & Agreements with 1:1 Devices

Please read over the information below. In order to use the Google Chromebook or Apple iPad for required class activities, you must be responsible for adhering to these rules and policies at all times. Remember, the device is at all times property of Chicago Public Schools, not your personal device. Violation of these regulations can result in loss of the privilege of utilizing the device. Thank you.

- Only use the device that is assigned specifically to you; do not let other students use or borrow your device.
- Do not place books or other items on top of the device.
- Never leave your device unattended.
- Shutdown the device completely before charging the device for the next day. This should occur at the end of every school day; do not plug in the device to charge between classes or during class without teacher permission.
- Students should not personalize their devices or the cases in any way. This includes decals, screen savers, and downloading any software, application or short cuts that have not been explicitly allowed by the teacher (devices will be periodically checked for illicit downloads).
- Only use the device for school work.
- Follow the teacher's instructions about labeling documents prior to sharing.
- If you notice that something is wrong with the device, report to your teacher immediately.
- If labels peel off, report to your teacher immediately.
- No food or drinks allowed around the devices.
- Follow all Responsible Usage Agreement policies and school rules pertaining to the use of technology. See below.

Responsible Usage Agreement (RUA)

Students must:

- Respect and protect their own privacy and the privacy of others.
 - Use only your assigned accounts.
 - Keep personal information such as: name, address, phone number, etc., offline.
 - If posting anything on a public website or blog, students should ONLY use their first name.
 - Keep passwords secret.
 - Have permission to photograph, videotape and post images or videos of people to the Internet.
- Respect and protect the integrity, availability, and security of all electronic resources.
 - Observe all network security practices.
 - Conserve, protect, and share these resources with other students and Internet users.
 - Treat digital technologies with care, report any damages, security risks or violations immediately.
- Respect and protect the copyrighted/intellectual property of others.
 - Cite all sources appropriately.

- Follow all copyright laws.
- Use electronic communication devices appropriately to assure academic integrity.
- Respect and practice the principles of community.
 - Communicate only in ways that are kind, responsible, respectful and lawful.
 - Use electronic communication devices for schoolwork only.
 - CPS email should be used for schoolwork only.
 - Report threatening or offensive materials to a teacher or administrator.

- Students must adhere to the internet policies outlined in the Durkin Park Handbook student handbook.
- Material created on the Chromebook or iPad is property of the school district.

E-mail Usage

- The primary purpose of the student electronic mail system is for students to communicate with school staff to collaborate on school activities.
- Students are responsible for good behavior while using school email, just as they are in a classroom or a school hallway.
- Access to email is given to students who agree to act in a considerate and responsible manner. Access is a privilege – not a right. Access entails responsibility.
- Students are responsible for messages sent from their accounts.
- Students should not share their passwords.
- Students should not give out personal information over email, including home telephone numbers or home addresses.
- Students will not use email to bully, harass, or threaten other students or individuals.
- Students will not use email to send chain letters, viruses, or hoaxes to other students or staff.
- Email accounts are filtered and messages written containing inappropriate language or content will be flagged and not be delivered.
- Student email is provided by the district and is district property. CPS reserves the right to archive, monitor and/or review all use of its email system, and users should not have any expectation of privacy in any electronic message created, sent or received on the District's email system.
- Students should not register for any websites or email subscriptions without teacher permission.

Receiving Your Chromebook or iPad:

*Chromebooks and iPads will be distributed each fall during the first week of school. **Parents & Students must sign and return the Chromebook/iPad Student Responsible User Agreement and Parent Permission form before the Chromebook/iPad can be issued to their child.** This document will need to be signed and returned before your child can use the device.*

Taking Care of Your Device:

Students are responsible for the general care of the device which they have been issued by the school.

General Precautions:

- No food or drink is allowed next to your device while it is in use.
- Cords, cables, and removable storage devices must be inserted carefully into the device.
- Students should never carry their Chromebook while the screen is open unless directed to do so by a teacher.
- Chromebooks should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Do not expose your device to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the laptop.
- Do not overextend the screen.
- Devices should be carried with two hands.

Device Screen Care:

The Chromebook/iPad screen can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on top of the Chromebook or iPad.
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not place anything on the keyboard before closing the lid of the Chromebook (e.g. pens, pencils, notebooks).
- Clean the screen with a soft, dry anti-static, or micro-fiber cloth. Do not use window cleaner or any type of liquid or water on the Chromebook or iPad. Do not use kleenex or paper towels on the screen. Teachers will be provided with appropriate cleaning materials.

Using Your Device

Sound:

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Earbuds/headphones should be with students at each class. Earbuds/headphones are the student's property, therefore their responsibility. If a student breaks or loses their earbuds/headphones, it is the student's responsibility to replace them in a timely matter.

Managing Your Files and Saving Your Work:

Students may save documents to their Google Drive. Saving to Google Drive will make the file accessible from any computer with internet access. Students using Google Drive to work on their documents will not need to save their work, as Drive will save each keystroke as the work is being completed. It will be the responsibility of the student to maintain the integrity of their files and keep

proper backups. Students will be trained on proper file management procedures. When collaborating on shared documents, students need to be appropriate and considerate of other people's work.

Personalizing the Device:

Devices must remain free of any decorative writing, drawing, stickers, paint, tape, or labels that are not the property of Durkin Park - Chicago Public School. Spot checks for compliance will be done by administration or Durkin Park Technicians at any time. If there is damage to the devices or cases, students are responsible for repair or replacement.

Inspection:

Students may be selected at random to provide their device for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school. Staff may also use software on their devices to monitor student activity remotely.

Protecting & Storing Your Device

Identification:

Devices can be identified in the following ways:

- Record of serial number and CPS asset tag
- Chromebook number
- iPad number
- Student name

Under no circumstances are students to modify, remove, or destroy identification labels. If the tag or label falls off, the student should notify their teacher immediately.

Storing Your Device:

When students are not monitoring their device, they should be locked in the cart or in their protective cases stored in a location designated by the teacher.

Devices Left in Unsupervised / Unsecured Areas:

Under no circumstance should a device be stored in unsupervised areas. Unsupervised areas include the school grounds and campus, the cafeteria, unlocked classrooms, library, locker rooms, dressing rooms, hallways, bathrooms, or any other entity that is not securely locked or in which there is not supervision.

Unsupervised devices will be confiscated by staff and taken to the Principal's office. Disciplinary action will be taken for leaving a device in an unsupervised location.
