

Home Language Survey 2021

07.2021 | Office of Language and Cultural Education

Complete this Home Language Survey at the student's initial enrollment in a Chicago Public School.
This form must be kept in the student's folder.

The state requires the district to collect a Home Language Survey for every new student. This information is used to count the students whose families speak a language other than English at home. It also helps to identify the students who need to be assessed for English language proficiency and may be eligible for English Learner services.

ASPEN REGISTRATION PROCESS

All five fields have to be entered on Aspen: date, answer to question 1, Home language, answer to question 2, and Native language.

When a language other than English is reported for only one of the questions on the form, that Non-English language has to be listed as both Home and Native Language in Aspen.

If there are two languages other than English listed, enter the language identified in question 2 as both Home and Native language.

English can be entered as the Home language ONLY if both questions are answered No and English is listed for both questions.
