As the parent/guardian of the above name student, I understand that my child will receive a comprehensive eye exam to determine if he/she needs prescription glasses or other treatment by a vision care professional (Provider)

I further understand that this eye exam may be performed by an Optometrist; an Ophthalmologist; qualified specialist; or an intern, a resident, or a student clinician or technician under the supervision of an Optometrist, Ophthalmologist, or another qualified specialist, and I consent to have my child receive a vision exam and/or treatment.

I further understand that neither the school nor the Board of Education of the City of Chicago (Board) are supervising or overseeing any services (such as an eye exam) or materials (such as eye glasses) that may be furnished to my child and that the Board and the school will have no responsibility for the quality of any such services or materials.

In consideration for the services and materials that my child will receive, I hereby agree to indemnify, release and hold harmless, and defend the City of Chicago, its departments, employees, officers, contractors, volunteers, agents, and representatives, and the Board and its members, trustees, agents, officers, contractors, volunteers, representatives, and employees from any liability which may accrue to me or my child, for any and all claims, losses, injuries, damages to me or my child, both known and unknown, foreseen and unforeseen, arising in connection with my child's receipt of services and materials, whether or not said claims, losses, injuries, damages, or liabilities result in whole or in part from the negligence of the City of Chicago, its departments, employees, officers, contractors, volunteers, agents, or representatives, or from the negligence of the Board, its members, trustees, employees, officers, contractors, volunteers, agents, or representatives. If you DO NOT want your child to receive the following services, please check the appropriate box. Please note services will be performed unless indicated otherwise.

If your child has an allergy, please consult your primary care physician before selecting dilation

I understand that as part of this eye exam, pharmaceutical agents (eye drops) will be used for the purpose of dilating my child's eyes. These drops are an important part of an eye exam to allow the Provider to conduct a thorough eye health exam. I further understand that the temporary effects of these eye drops include blurred vision and sensitivity to light, both of which could restrict my child's mobility making it unsafe for him/her to travel unassisted or to operate a vehicle for the rest of the day.

At this time I DO NOT consent for my child's eyes to be dilated

I understand that by refusing dilation I may limit the doctor's ability to detect and treat certain conditions.

I understand that my child may be selected to be photographed, video taped, audio taped or interviewed as part of promotional documentation for the Vision Program. I consent to the use of my child's photograph, voice or likeness by the Board or the Provider or CDPH, but not the use of my child's last name. I understand there is no compensation, monies, or reimbursement for my child's participation.

At this time I DO NOT consent for my child to be photographed or interviewed

By signing below, I understand that I am giving my authorization to the City of Chicago Department of Public Health (CDPH) and the Board of Education of the City of Chicago (Board) to release and furnish information regarding past vision screening data in my child's education record to Providers to ensure that the Providers can effectively provide services. I authorize the Providers to release and furnish reports to my child's school, including written and verbal reports concerning the results of any eye exam, for inclusion in my child's education record. I also authorize CDPH to release to the Board, my child's information, the date and type of vision services provided, whether my child was recommend for follow-up services, and other information the State of Illinois requests the Board to report. I understand that such records will be subject to the privacy rights afforded by state and federal law. I further authorize Providers to disclose vision exam information and billing information to the Illinois Department of Healthcare and Family Services (HFS), for the purpose of insurance billing. CDPH and Providers may not condition treatment, payment, or eligibility for benefits on this authorization or my refusal to sign such authorization.

This authorization is valid for one year. I may revoke this authorization at any time by sending written notification to CDPH, my child's school, or the Board Office of Student Health and Wellness. Revoking this authorization will not have any effect on any information used or disclosed before the revocation.
